Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Tuesday 07 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Hot sunshine for many today but showers possible tomorrow.

Today:
Any fog or mist soon clearing, leaving the day largely fine across the region with prolonged sunshine. Turning breezy but still feeling very warm to locally hot. Maximum temperature 28 deg C (82 deg F).

Tonight:
Many seeing clear skies, but cloud slowly moving in from the west will bring the chance of a few showers through the night over Devon and Cornwall. Feeling humid. Minimum temperature 16 deg C (61 deg F).

Wednesday:
Heavy showers are possible with a risk of some rumbles of thunder. Sunny spells elsewhere with temperatures back to around normal for most. Maximum temperature 26 deg C (79 deg F).

Outlook for Thursday to Saturday:
Scattered showers on Thursday, heavy at times and with a risk of thunder. Further showers possible on Friday. Many areas dry on Saturday but a few showers are still possible.
